HARD WASTE PROCESS

We write on behalf of Owners Corporation on Plan No. 430247Q at 422 Collins Street, Melbourne, to advise that the process for hard rubbish disposal has changed.

Previously, notices were displayed quarterly advising residents to bring hard rubbish to the car park for removal over a 2–3 day period.

This process has now been updated for improved convenience and management.

There is a dedicated hard rubbish storage room available for temporary storage prior to council collections.

New Hard Waste Procedure:

- **Please contact building management on 0437 585 290 during business hours to advise of any hard rubbish disposal needs.**
- **Building management will then coordinate a suitable time for the resident to bring your items down to the storage room.**
- **Access to the storage room is available during the following hours:**
 - **Monday to Friday: 9:00am – 4:00pm**

Should you have any queries regarding this notice, please do not hesitate to contact the Manager on 8684 8888 or email lrreed@lrreed.com.au.

Yours faithfully,
